## Wall Penetration

1:10

### Notes:

- All dimensions are in mm. DO NOT SCALE OFF THESE DRAWINGS.
- This detail sheet is to assist in the installation of an **Escea Indoor Wood In-Built Flue System** into a timber framed cavity.
- Protect the appliance from damage during installation.
- Parts of this fire and the cavity into which it is installed, may get hot during operation. Ensure any materials used are heat resistant and non-combustible to resist deformation or degradation. Escea takes no responsibility for material selection.
- The Specifier and/or Installer are responsible for compliance with all relevant Building Codes.
- This technical sheet must be read in conjunction with the Escea TC950 Installation Manual, the latest version can be found on our website at [www.escea.com](http://www.escea.com)

GENERAL CONSTRUCTION AND FINISHES SHOWN INDICATIVE ONLY
